90 POINTS WINE ENTHUSIAST

A tribute to the founder of our estate vineyard, Donald D. Miller, who planted our first vines in 1968. This small-batch, limited-production Chardonnay displays concentrated aromas of candied peach and poached pears infused with butterscotch and a hint of honeysuckle. The palate is full, rich, and creamy with evolving layers of nectarine, freshly baked brioche bread, marzipan, and smoked pecans.
